

Kay Tse is one of my favourite Cantonese singers, and I am listening to her album today which is also my boyfriend's favourite.

Pork cutlet in Korean restaurant today!
So good delicious!!! kinda wanna
dine in with my boy here someday!

Have a nice tea which is sent by
my boy miles away.
He is so sweet, knowing that I
am a massive tea fan and running
out of tea leaves.

Stormy today, but with a nice unexpected rainbow later

Already shared this pic with my boy, hope he is everything good ^_^ send my love to him.

Upset by the messages that he ignored T_T.

Anyway, feel a bit better when he apologised with this cutty pic

Coffee and cake for my leisure time.

My boy comments that he is so jealous of the one who shares the cake with me.

Why is he so cute? kinda miss him
